Dear Keith:

Patti and I wanted to thank you for your dedicated service and professionalism in our continuing effort to improve our Lake property. We have completed a number of projects (re-landscaping, painting, roofing, masonry, hot tub installation, etc.) and without your assistance, the process would not have gone as smoothly. We will certainly try to support your business through referrals and hope the balance of your year is safe and prosperous. Thank you again.

Sincerely,

John S. Haslett
