

Dear Keith and Steve,

Just want to tell you how happy I am with my Hot Tub, I have really enjoyed it. It is wonderful when I feel tired and these old bones hurt, I just get in the hot water and turn on the jets and relax. The past few months I've had a frozen shoulder and the only way I could exercise my arm and shoulder without so much pain was to get in the Hot Tub and do my exercises. I now have pretty much full range of motion.

It is especially nice if I ever have questions you and Steve are always available. It has been a pleasure doing business with you and I would recommend Hot Tub Heaven to any one that is thinking about buying a hot tub.

Sincerely,

Sylvia Plasters,
